## A·A·BERRY SEED CO.

SEED MERCHANTS

CLARINDA, IOWA.

Jan.  
1st,  
1913.

Dear Friend:—

We are making a special effort this year to furnish our Market Gardener customers with the highest grade of seed that can be produced and have made our prices just as low as we can possibly offer the best grade of seed which is all backed by our guarantee. Now we want you to note our prices and if you have never intrusted an order in our care, do so this spring, and we will furnish you with seeds that will please you and make you one of our permanent customers. We have a very large Market Gardener's trade but can take care of more of this class of trade for we are striving to build up this department and want your patronage.

We appreciate the importance of high grade seed which is true to name and of strong vitality, and we always give our market gardener orders preference and see that they get the very best stock that is in our establishment. Do not pay exorbitant prices when you can get equally as good, if not better, for much less money. We will put our seeds right along side of any other seedsman and prove to you that they have the quality. Give us your order this season and see for yourself that our seeds are more than we claim for them.

We would appreciate it very much if you would make out a list of your requirements and allow us to quote you special prices. for we may find that we can make better prices on some varieties and we will be glad to do so on your order.

If you wish more order blanks kindly drop us a card and we will be glad to furnish them. Always use the YELLOW ORDER SHEET when ordering, it will avoid mistakes and delays. When using prices on this sheet, mark order WHOLESALE.

**Buyers of vegetable seed in large quantities as Market Gardeners are entitled to low prices as is customary with all Seed Houses**  
**NOTE—No order filled, under any circumstances, at these prices for less than \$3.00.** Prices are on board cars or express office, Clarinda. The buyer pays freight or express charges, also postage. To prepay postage or express add 8c per lb to price quoted, or ask your Postmaster what the postage would be by Parcels Post. Freight is cheapest on large quantities. **DON'T FORGET** to state plainly how you wish goods sent.

**You will note some Prices are Exceptionally low; this is due to large crops. All Seeds the Best and First Class.**

**TERMS**—Cash with order, same as page 1 of Catalog. Use Yellow Order Blank.

**We defy Competition**—If you will send us a list of any reliable seedsman with prices less than these, we will meet them. Remember we guarantee all of our seed to be of high germination. **OUR MOTTO; "BEST SEED FOR THE LEAST MONEY."**
